GROUP ACTIVITIES

Guided Nature Tours:
Explore the garden's unique features with a knowledgeable naturalist who shares insights about the flora, fauna, biodiversity, and fascinating plant adaptations.

Team-Building Workshops:

Engage in collaborative activities such as plant identification challenges, eco-scavenger hunts or group gardening projects.

Picnic Area:

Designated spots for groups to enjoy meals surrounded by nature.

DIY Terrarium Workshop:

Create a mini garden together and take home a lasting memory.

Nature Yoga &
Meditation Sessions:
Rejuvenate in a serene natural setting.

Photography Walks:

Led by an expert, explore tips and tricks for capturing nature’s beauty be it insects, birds or even plants!

THANK YOU
