INFLUENCERS ACTIVITIES

Photography Tours:

Special guided tours focusing on the most picturesque spots in the garden for content creation.

Sustainability Talks:

Workshops discussing eco-friendly practices that influencers can promote through their platforms.

Crafting with Nature:

Participate in workshops that use natural materials like leaves, flowers, and recycled items to create art projects, including leaf printing, flower pressing, and eco-friendly crafts.

Exclusive Photo Walks:

Access to unique locations in the garden at the best times for lighting.

Seasonal Bloom Alerts:
Updates on rare flowers and peak bloom events for content opportunities.

Sustainability Stories:

Create content around the garden's green initiatives.

Content Creation Zones:

Pre-set areas with props and picturesque setups for unique photos.

THANK YOU
